I tried to look away but can't resist  
I can't believe that you exist  
Where do you come from?  
We shared the day but you're not tangled in it's pain

What I behold is awesome  
Awesome, awesome, awesome  
Awesome, awesome, awesome  
Awesome, awesome

You read a book, a book of love  
Within the story, you picture yourself, I can tell  
If I seem silent, I'm just thanking someone  
Far away for you

What I behold is awesome  
Awesome, awesome, awesome  
Awesome, awesome, awesome  
Awesome, awesome

They say the world is always turning  
In suspended animation  
I keep yearning for you  
Yearning for you, yearning for you

Picture what you and I can do  
Yearning for you  
Yearning for you, yearning for you

What I behold is awesome  
Awesome, awesome, awesome  
Awesome, awesome, awesome  
Awesome, awesome

They say the world is always turning  
In suspended animation  
I keep yearning for you  
Yearning for you, yearning for you

You're a gem I'd never give away  
If I lost everything, I would hold you  
In my hands and open every time I had the chance

Dazzled by what I held, dazzled by what I held

Awesome, awesome
