Oh, get your groove on
New shiny shoes on

I'ma coming in on lust and resurgence
With all my love, I overflow the river Nile
Rolling on for thousands of miles

We can celebrate your inner horizon
Ooh, we can activate our Christ teach, too
Oh, we'll have our fun

I am heaven in the spirit of the sun
I'll meet you when the day breaks through

It's time to shine and make
All your dreams come true, Lord
You wish upon a dog star
Wish upon a dog star

I've been worshiped by the buried ancients
Who asked for love, I gave them love radiations
And even hiding the sensations

Yeah, we can celebrate our inner horizon
Hell, we can activate our Christ teach, too
Oh, it'll be fun

I am heaven in the spirit of the sun
(Get your groove on, new shiny shoes on)
I'll meet you when the day breaks through
(Rocking me nightly, shining so brightly)

It's time to shine and make
All your dreams come true, Lord
You wish upon a dog star
Wish upon a dog star

Oh, we blink so brightly
Light up the dark all night, oh, hear me out
I'm right up there with the brightest
I'm like a giant, yeah

I am heaven in the spirit of the sun
(Get your groove on, new shiny shoes on)
I'll meet you when the day breaks through
(Rocking you nightly, shining so brightly)

It's time to shine and make
All your dreams come true, yeah come on
And wish upon a dog star, yeah come on
And wish upon a dog star, yeah go on
Wish upon a dog star
