I wish everyday could be a holiday  
Take away the work and give me all the play  
Finally the weekend's here to start again  
I've got money saved, so we can fly away

[Chorus]

Dancing the night away  
Higher than high we stay  
Dancing the night away  
Higher than high we stay  
It's Friday night, turn up the light  
Let's party all night long  
It's Friday night, turn up the light  
Let's party all night long

I know a place, where we can get away  
I want solitude, just you and me today  
Hardly going out, inside we're in the room  
We don't have to stay, so long in here, let's move

[Chorus]

Dancing the night away  
Higher than high we stay  
Dancing the night away  
Higher than high we stay  
It's Friday night, turn up the light  
Let's party all night long  
It's Friday night, turn up the light  
Let's party all night long

I know you got a lot on your mind  
Baby let it go, free your mind  
Throw away worries, into the night  
Friday night, off the light  
Party all night long

[Chorus]

It's Friday night, turn up the light  
Let's party all night long  
It's Friday night, turn up the light  
Let's party all night long!  
Friday night, all night long.
