Confusion

Human patterns of thought rejects  
Beliefs of the new Dogma  
Global conflicts arise and reflects  
On ancient rites known as religion, religion

Confusion

Well known paths of comfort  
Ripped to shreds by the anti-God  
Unholy words spread by the black horde  
Bringing confusion to the

SHEEP OF JOB

Centuries of stagnation  
Behold the future world  
Bacteria is cultivating  
The silent thread unheard

Planting the seeds of doubt  
By spitting out fragments of reality

The lost will be the found  
Infiltrating using the dark frequencies  
The eminent hate now profound  
Revealing new horrors and secrecies, secrecies
