I looked right thru your face  
I saw too much it's like I'll never again  
Waiting out for days you get so mean  
You get so mean that you can't breathe  
So much that I could say So much that  
I could burn

A boy inside a man  
You're gonna get out and get some more  
You're gonna get out and get a whore  
Hating you for this you take so much  
You take so much that I can't give  
So much that I could say so much that  
I could burn

I don't wanna be like you  
I don't wanna feel like you do  
I don't wanna be like you  
I don't wanna feel like you do

Life inside these walls  
You're gonna get out and seize the day  
You're gonna get out and leave your cage  
Hating me for this  
You take so much you take so much that I can't give  
So much that I could say so much that  
I could burn

I don't wanna be like you  
I don't wanna feel like you do  
I don't wanna be like you  
I don't wanna feel like you do

Surrounded by the pain  
Tormented by this place  
I learned to live this way  
Tormented by your face  
Torn apart torn apart torn apart torn apart

I don't wanna be like you  
I don't wanna feel like you do  
I don't wanna be like you

I don't wanna feel like you do  
I don't wanna be like you  
I don't wanna feel like you do  
I don't wanna be like you  
I don't wanna feel like you do  
I don't wanna be like you  
I don't wanna feel like you do  
Burn  
Burn
