Chorus:

Who cares what they say  
I'm here for you always  
I'm easy to find  
Call me anytime  
I'm here for you all day

Verse1:

How can I make you understand  
All your friends are jealous cause I  
I got your name in all my plans  
You're the one I want in my life  
I'm the man for you  
Stand and fight for you  
Got my heart, from the start  
No one else but you  
I know you wanna take that chance  
Though your friends keep holding you back  
Your body needs a romance  
Let me give you all that I got  
I'm the one for you  
What you wanna do  
Got my heart from the start

Repeat Chorus

Verse2:

(Listen up girl)  
Baby you can have my name  
With these vows we'll never ever part  
Or you can bear the shame  
I'm removing cupid's arrow from my heart  
I'm the man for you  
Stand and fight for you  
Got my heart from the start  
No one else but you  
I'd rather let you have your way  
Before I make a fool out of myself  
What else is there to say?  
I'm in pain oh baby can't you tell  
I'm the one for you  
What you wanna do

Got my heart, from the start

Repeat Chorus

Bridge:(x2)

Who cares what they all say(I don't care)

I'm here for you always(I will be here)

I'm easy to find,

Call me anytime,

I'm here for you all day

Repeat Chorus
