[Intro:]

Pretty lady, pretty lady, ohh ohh
Pretty lady, pretty lady
Ohh ohh ohhh

[Verse 1:]

I've had my eyes on you
For a while your like my TV baby
I can't stop watchin' you there's never a time
I don't think about having you girl
You are a sight to be seen
Dis is a dream, I hope nobody wakes me up
Now it's a time for me to think of a line
Cause there's no room for mistake
Hey baby girl what's your name
I'm being real with you
This is not a game
I hope my timings right
Cause the musics right

[Chorus:]

And I wanna know if I can get that
One dance all I'm askin you is for one chance
The two of us together a little romance, slow dance
Tonight is for you and me baby
One dance all I'm askin you is for one chance
The two of us together a little romance, slow dance
You know I want you

[Bridge:]

Pretty lady, pretty lady, ohh ohh
Pretty lady, pretty lady
Oh

[Verse 2:]

Can't believe this is happening
The floor is ours for the taking
So place your body right next to mine
And let this be our favourite summer of all time
Baby after tonight
You'll see a love in a different light

You'll be anticipating
What we're creating
It started with just one dance

[Chorus:]

All I'm askin you is for one chance
The two of us together a little romance, slow dance
Tonight is for me and you, ooo baby girl
One dance all I'm askin you is for one chance
The two of us together a little romance, slow dance

[Outro:]

Ohh ohh ohhh
Ohh ohh ohhh
Sing it with me one more time

Ohh ohh ohhh
Ohh ohh ohhh
Oooo baaaby!

You know I really love you my lover
