See me, I think I'm crazy
No I can't be all alone
Can you hear me?
Can you see me?
I'm trying find home...

Oooooohhhhhooooooooo
Oooooohhhhhooooooooo
Oooooohhhhhooooooooo
Oooooohhhhhooooooooo

Energy pumping through my body
Can you feel the electricity from me?
Flashing lights everywhere,
No time to look, stop or stare
Just release and let it be
Get Crazy...
Oooooohhhhhooooooooo
Everybody...
We're breaking free tonight

Ref:

La vida es como una estrella
Puede brillar en cada instante
La vida es como una estrella
Puede brillar en cada instante
Shining just like the stars
We'll gonna light up the world tonight
Shining just like the stars
We'll gonna light up the world tonight

We'll gonna light up the world tonight

Oooooohhhhhooooooooo
We'll gonna light up the world tonight
Oooooohhhhhooooooooo
We'll gonna light up the world tonight

Every moment in my life
Every day that passes by
I just try to be myself

This is who I use to be
Let the music set you free
If you are in need of help
Get Crazy
Oooooohhhooooooooo
Everybody...
We're breaking free tonight

La vida es como una estrella
Puede brillar en cada instante
La vida es como una estrella
Puede brillar en cada instante
Shining just like the stars
We'll gonna light up the world tonight
Shining just like the stars
We'll gonna light up the world tonight
We'll gonna light up the world tonÃght (3x)
