This is a message from the forces of light,
Communication from the regions of white,
We have been watching you from high in the sky,
You're turning to the darkness and your world's gone
Bright

Ah, Ah
Forces of light
Ah, Ah
Keeping you right
Ah, Ah
Forces of light, Keeping you right
Forces, Oh! Forces of light

Listen to us now before we leave it too late
If you want to follow us then you must obey,
Open up the door and walk right into the light
Learning by yourself to see the world going by

Ah, Ah
Forces of light
Ah, Ah
Keeping you right
Ah, Ah
Forces of light, Keeping you right
Forces, Oh! Forces of light

Ah, Ah
Forces of light
Ah, Ah
Keeping you right

Ah, Ah
Forces of light
Ah, Ah
Keeping you right

You better listen to the forces of light
You better listen to the forces of light
You better listen to the forces of light
You better listen to the forces of light
