Verse

Do what you gotta do
Go ahead and say what you want
I know you're thinkin' it
And oh, I need your point of view
A different side of you that I'm craving
Let it sink in

Bridge

If the time is right to lose it
Then you gotta feel the digital love in me
I promise not to make any excuses
Cause freedom is this and
I like the way you look so calm
Everytime you touch me I'm hot as the sun
You take my body right where I wanted to go
Electrify my life boy you're making me feel
You're making me feel
Alive

Chorus

Feel so alive, you're making me making me
Feel so alive, oh let it sink, let it sink
Feel so alive, oh boy
You're making me feel, you're making me feel

Verse

Be who you need to be
Baby take control of me
I gotta a secret to keep
I don't wanna sleep
Baby keep me up all night in the best way

Bridge

If the time is right to show it
Then you gotta feel the digital love inside
And when you tell me where your going
I wanna take you out of the way tonight
Let's go
Everytime you touch me I'm hot as the sun
You take my body right where I wanted to go
Electrify my life boy you're making me feel

You're making me feel alive

Chrous

Feel so alive, you're making me making me

Feel so alive, oh let it sink, let it sink

Feel so alive, oh boy

You're making me feel, you're making me feel

Feel so alive

Feel so alive

You're making me feel

La la la

Feel so alive, you're making me making me

Feel so alive, oh let it sink, let it sink

Feel so alive, oh boy (oh boy)

You're making me feel, you're making me feel

Alive
