No one's ever held me like you hold me
And no one's ever touched me in this way
I spent my whole life running from this feeling
But I'm not runnin' anymore, never felt this way before

All of my love I will give to you
All of my dreams will be comin' true
In the heat of a tangled kiss
Say you will and I promise you this

All of my love I will give to you
All that I ask is you love me too
Take a look, I'm never far behind
Turn around and gimme, gimme, gimme a sign,
gimme a sign

I will put my feelings into one place
Center my emotions on your face
Oh, I could spend a lifetime, sharin' night time
'Cause when you're lyin close to me
Somethin' tells me that you need

All of my love I will give to you
All of my dreams will be comin' true
In the heat of a tangled kiss
Say you will and I promise you this

All of my love I will give to you
All that I ask is you want me too
Take a look, I'm never far behind
Turn around and gimme, gimme, gimme the sign

So, be my lover, be my friend
Say this love will never end
Want no other in my life
Our forever starts tonight
All of my love, oh yes

All of my love I will give to you
All I ask is you want me too
Take a look, I'm never far behind
Turn around and gimme, gimme, gimme the sign

All of my love
All of my love
All of my love
