"If I break"

If I break, break, break

If I break, break, break

You were the one
Of schemes of plenty (oh)
I was your waiter
Waitin' all the while

We were the two they said
Could conquer any
Has anyone seen
My missing smile?

All those
All those men
Said I almost
Forgot how much you hurt me
Oh, you hurt me

Oh, if I break
It's only 'cause I saw
The saddest movie
Today
It's all these heartbreak
Stories on the news
Today
It's only April
Raindrops tricklin' down
My face
But it ain't because
I'm missing you, today

If I break, break, break
"I ain't missing you, no"

Funny how time can heal
The hurt and wounded
Lovely how God protects
The young and foolish

(Young and foolish)
Making mistakes is oh so
Ve-er-ery human
Have to press on
Is what to do, baby

Always
Said I always love you
(Always love you)
Always, I'll remember you in roses
And in all my prayers and invocations

If I break
It's only 'cause I saw
The saddest movie
Today (today-ay)
It's all these heartbreak
Stories on the news
Today (on the news)
It's only April
Raindrops tricklin' down
My face (tricklin' down my face)
But it ain't because
I'm missing you, today

If I break, break, break
(If I break)
It ain't because
I'm missing you, today

If I break, break, break
(Oh, if I break down and cry)
It ain't because
I'm missing you

I Always
Well I will always and forever
(Forever love you)
Always, I'll remember you in roses
And every day of my life, oh

If I break (break)
It's only 'cause I saw (ooo)
The saddest movie
(If I break)
Today (baby all these sad movies)
It's all these heartbreak
Stories on the news (oooooh)
Today (oh, oh, oh)
It's only April
Raindrops tricklin' down

(Only raindrops)
My face (tricklin' down my face)
But it ain't because
I'm missing you, today
(Oh it ain't because I'm missing you)
If I break, break, break
No, no, ain't because I'm missing you
If I break, break, break
No, no it ain't because I
I ain't missing
I ain't missing nothin' but my soul
