In my music, lalala  
Keeps me happy  
Flowin' on  
In my music, lalala  
You'll be the one thing  
That won't ever let me down

You'll be my piece of the pie  
That keeps me alive  
You'll be the reason why  
I give all my props to you

Oh, ain't nothin' new  
You'll be the one thing  
Who I'd owe it all too, yeah

In my music, in my music  
In my music, lalala  
Inspiration is everywhere  
In my music, lalala  
Keeps me breathin'  
Like a breath of fresh air

Oh, you'll be my morning light  
That breaks through my night  
You are my bloodline  
What would I do without you

Hey, I always knew  
You'd be the one thing  
Who I'd owe it all too, yeah

In my music, lalala  
I've been waiting all alone  
In my music, lalala  
Comes a feelin'  
Like I'd never ever known

Oh, you'll be my piece of the pie  
That keeps me alive  
You'll be the reason why  
I give all my props to you

Oh, ain't nothin' new  
You'll be the one thing  
Who I'd owe it all too

Yeah, you'll be my morning light  
That breaks through my night  
You are my bloodline  
What would I do without you

Hey, hey, I always knew  
You'd be the one thing  
Who I'd owe it all too  
You'd be the one thing  
Who I'd owe it all too

Yeah, in my music  
In my music  
In my music  
In my music
