Sometimes in our lives we all have pain, we all have
sorrow
But if we are wise we know that there's always
tomorrow
Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long 'til I'm gonna need somebody to
lean on
Please swallow your pride if I have things you need to
borrow
For no one can fill those of your needs that you won't
let show
You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on
Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long 'til I'm gonna need somebody to
lean on
You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on
If there is a load you have to bear that you can't carry
I'm right up the road
I'll share your load if you just call me
Call me (If you need a friend)
Call me (Call me here)
Call me (If you need a friend)
Call me (If you have a need)
Call me (Call me)
Call me (Call me)
Call me (Call me)
Call me (Call me)
Call me (If you need a friend)
Call me (Call me)
Call me (Call me)
Call me (Call me)
Call me (Call me)
