I'm so in love with you
Whatever you want to do
Is alright with me
You make me feel so brand new
I want to spend my whole life with you

Let me say that since
Since we've been together
Loving you forever
Is all I need
Let me be the one you come running to
I'll never be untrue

Let's, let's stay together
Loving you whether, whether
Times are good or bad, happy or sad

Let me say that since
Since we've been together
Loving you forever

Is all I need
Let me be the one you come running to
I'll never be untrue

Let's, let's stay together
Loving you whether, whether
Times are good or bad, happy or sad

Why, oh tell me, why do people break up
Turn around and make up
I just came to see
You'd never do that to me, would you baby?
Cause being around you is all I see

So baby let's we all stay together
Loving you whether, whether
Times are good or bad, happy or sad
