Oh ya  
[vocal improvisation - scatting]

If you think that  
Love is just a fairy tale  
Maybe true love is sold and bought  
Hansel and Gretel found  
Their candy getting stale  
And you're gonna find  
You ain't no Goldilocks

When those bells just keep on ringing  
And that song you're singing  
And you want to share your Mondays  
Right through to Sundays  
Your best friend is softly speakin'  
She don't call this weekend

No way  
It's only a fling you say  
But, love is real,  
Yes it is girl  
Never let anyone tell you different  
When you can feel it  
Love is real,  
Yes it is mama  
Never let anyone tell you different  
When you can feel  
This feeling's for real

Let me tell you something  
Don't go away  
Don't you stray  
Let me tell you something  
Don't go away  
Don't you stray

You think that love's  
What's on that silver screen  
Raquel and Redford are the tops  
You've been misled  
By all them movies you've seen

Love ain't a robber  
Hidin' from the cops, huh huh

When you toss 'n' turn all morning  
And you wake up yawning  
And you walk that floor all evening  
And you should be leaving  
And you find yourself pretending  
You've got a happy ending

No way  
It's only a fling you say  
But, love is real,  
Yes it is girl  
Never let anyone tell you different  
When you can feel it  
Love is real,  
Oh mama ...  
Never let anyone tell you different  
When you can feel  
This feeling's for real

Let me tell you something  
Don't go away, uh huh  
Don't you stray, yeah  
Don't go away  
Don't you stray  
Let me tell you something

[vocal improvisation - scatting]

No way  
It's only a fling you say  
But, love is real,  
Yes it is girl  
Never let anyone tell you different  
When you can feel it  
Love is real,  
Don't you know mama  
Never let anyone tell you different  
When you can feel  
This feeling's for real

Love is real,  
Don't you know that  
Never let anyone tell you different  
When you can feel it  
Love is real,  
Yes it is now  
Never let anyone tell you different  
When you can feel it

Love is real,  
Don't you worry 'bout it  
Never let anyone tell you different  
When you can feel it  
Love is real...  
Never let anyone tell you different  
When you can feel it
