

Al Jarreau "Never Givin' Up"

Visit "[Never Givin' Up](#)" on MotoLyrics.com

I've been afraid that I had missed the chance of a
lifetime

And by the way I've tumbled with romance, girl
And I don't cry but now I'm searching every star
(I go on)

Searching near and far
(Every dawn)
'Til I find our one spirit flying high
Flying high

I'll never give it up, never gonna give it up, even when
this life is over
Never give it up, never gonna give it up, even when this
life is over
Never give it up, never gonna give it up, even when this
life is over
I'll be content in time, I'm gonna be content in time

And so today, I think I'll take the chance of a lifetime
And by the way, I'm falling for romance, girl
And I don't mind, how much I cry, see I'm reaching for
the sun
(Angels sing)

Love has just begun
(Who would think?)
Two could turn to one, spirit flying high
Flying high

I'll never give it up, never gonna give it up, even when
this life is over
Never give it up, never gonna give it up, even when this
life is over
Never give it up, never gonna give it up, even when this
life is over
I'll be content in time

I'll never give it up, never gonna give it up, even when
this life is over
Never give it up, never gonna give it up, even when this
life is over

I'll never give it up, never gonna give it up, even when
this life is over
I'll be content in time, I'm gonna be content in time

I'll never give it up, never gonna give it up, even when
this life is over
Never give it up, never gonna give it up, even when this
life is over
I'll never give it up, never gonna give it up, even when
this life is over
I'll be content in time

I'll never give it up, never gonna give it up, even when
this life is over
Never give it up, never gonna give it up, even when this
life is over
Never give it up, never gonna give it up, even when this
life is over
I'll be content, I'm gonna be content

Never gonna give it up, no, no, no, no, not I
Never gonna give it up, no, no, no, no, not I
Never gonna give it up, no, no, no, no, not I
I'll be content in time

Never gonna give it up, no, no, no, no, not I
Never gonna give it up
