Everyone gets tired
The fires begin to fade
Everyone gets tied up
In spite of the plans they made
Nobody wants to slow down
The showdown is set for dawn
I'm gonna meet that villian
And tell him the race is on
I'll say that

Chorus:

Lovers cross the raging waters
Lovers walk the burnin' sand
Lovers stop time in order
To take the moment in their hands
Lovers toss away a kingdom
Lovers abdicate the crown
Lovers fight for love and freedom
Breakin' the chains that hold 'em down

You gotta keep on, gotta keep on, gotta keep on
You gotta keep on, gotta keep on lovin' lovers
You gotta keep on, gotta keep on, gotta keep on
You gotta keep on, gotta keep on -- didn't I say

Everyone is frantic
The antics become desire
Every last romantic's
Been banished to some cold star
Never again expire
Be tired and givin' in
I'm gonna take my lover
Discover the promised land
I'll say that

(Chorus)

You gotta keep on, gotta keep on, gotta keep on
You gotta keep on, gotta keep on lovin' lovers
You gotta keep on, gotta keep on, gotta keep on
You gotta keep on, gotta keep on touchin' others
You gotta keep on, gotta keep on, gotta keep on

You gotta keep on, gotta keep on lovin' lovers
You gotta keep on, gotta keep on, gotta keep on
You gotta keep on, gotta keep on -- didn't I say

(Chorus)
