Careful baby

Careful darling

You got yourself  
Into such a mess  
That you can't get out, girl  
You made your own bed  
So what the heck  
Can you complain about  
You're seventeen but  
You talk and you wiggle and walk  
Like you're twenty-four, girl  
Grown men weepin'  
A ten point temperature  
Rise everywhere you go  
And the fact is

You're so fine  
That you fool the people  
You're so fine  
That you're foolin' me, woo  
You're so fine  
That you fool the people  
Ain't so fine  
When you fool your own self baby  
Look out

Such a mess  
It's a funny situation  
Sassiness  
Got you up a tree  
Sticky wicket  
Must confess  
It's an inside instigation  
No distress  
You can talk to me

Seven-thirty  
Morning Mr. Price  
What a day for school  
Bright and early

Perfect little disguise  
For the folks you fool  
Midnight passion  
Ain't no surprise to me  
What you're comin' to  
There's red light flashin'  
Look out you're goin' too fast,  
What you gonna do

You're so fine  
That you fool the people  
You're so fine  
That you're foolin' me  
You're so fine  
That you fool the people  
Ain't so fine  
When you fool your own self baby  
Look out

Such a mess  
It's a funny situation  
Sassiness  
Got you up a tree  
Sticky wicket  
Must confess  
It's an inside instigation  
No distress  
You can change it baby

London bridge is fallin'  
Frightful sound  
You can hear me callin'  
Here's your crown  
In the game you make a circle  
Just to turn around

Such a mess  
It's a funny situation  
Sassiness  
Got you up a tree  
Sticky wicket  
Must confess  
It's an inside instigation  
No distress  
You can change it, baby

Such a mess  
It's a funny situation  
Sassiness  
Got you up a tree  
Sticky wicket

Must confess  
It's an inside instigation  
No distress  
You can make it, baby

Such a mess  
It's a funny situation  
Sassiness  
Got you up a tree  
Sticky wicket  
Must confess...
