## Al Jarreau "Take Five"

Won't you stop and take a little time out with me, just take five;

Stop your busy day and take the time out to see I'm alive.

Though I'm going out of my way, Just so I can pass by each day, Not a single word do we say, It's a pantomime and not a play

Still I know our eyes often meet, I feel tingles down to my feet, When you smile that's much too discrete, Sends me on my way.

Wouldn't it be better not to be so polite, you could offer

Start a little conversation now, it's alright, just take five, iust take

Five.

[Improvisation]

Though I'm going out of my way, Just so I can pass by each day, Not a single word do we say, It's a pantomime and not a play

Still I know our eyes often meet, I feel tingles down to my feet, When you smile that's much too discrete, Sends me on my way.

Wouldn't it be better not to be so polite, you could offer

Start a little conversation now, it's alright, just take five, just take

**Five**
