Mmm...mmm...ooh...
Ooh...ooh...ooh...ooh...
Don't you change

Some walk by night
Some fly by day
Nothing could change you
Set and sure of the way

Charming and bright
Laughing and gay
I'm just a stranger
Love the blues and grays

There is the sun and moon
They sing their own sweet tune
Watch them when dawn is due
Sharing one space

Some walk by night
Some fly by day
Something is sweeter
When you meet along the way

So come walk by night
Come fly by day
Something is sweeter
'Cause we met along the way

We'll walk by night
We'll fly by day
Moonlighting strangers
Who just met on the way
Who just met on the way
Who just met on the way
