September in the wind  
is blowing sideways  
Summer's surely buttoning her coat  
That's when I saw you  
standing in a t-shirt  
Dancing in the middle of the road

That's when I knew that  
loving you was heaven  
That's why I feel I'm headed  
straight for Hell  
Spending all the summers  
near the water  
I've never felt so far  
from the well

I remember your reflection  
in the water  
Back when we were  
lost behind the trees  
The leaves were falling  
right into the river  
That carried us directly to the sea

That's when I knew that  
loving you was heaven  
That's why I feel I'm  
headed straight for Hell  
Spending all the summers  
near the water  
I've never felt so far  
from the well

Just plant a seed and  
the rain will come  
Fill up all the buckets  
in your garden  
Just plant a seed and  
the love will grow  
Fill the empty spaces in your heart

That's when I knew that

loving you was heaven  
That's why I feel I'm  
headed straight for Hell  
Spending all the summers  
near the water  
I've never felt so far  
from the well
