You can never be yourself
Acting like someone else
And when I look at you
I know we're not going far

I want to shoot you down
But when I turn around
I can't seem to find the words
You've got me laughing at jokes again
Losing control again

I don't want to be in love
So maybe it's over now
Over now
Funny when you fall in love
And suddenly you're falling out
Falling out

Now words are falling out
I guess we're falling out
You seem to understand
Maybe it's happened before

The more it brings us down
Say yes see you around
You wanna talk it out
I'm heading straight for the door again
I'm in control again

I don't want to be in love
So maybe it's over now
Over now
Funny when you fall in love
And suddenly you're falling out
Falling out

Don't you think it's been a long time
And loving you is a little hard to take
And don't you think it's such a fine line
From knowing what is true
And knowing what you do could be a big mistake
