

Cicada "One Beat Away"

Visit "[One Beat Away](#)" on MotoLyrics.com

Lots of faces around us here,
I just love to see the way,
You're wild at heart.

Your airs and graces don't bother me,
I just wanna see the world,
My own way.

One beat away,
One beat away,
One beat away.

One beat away,
One beat away,
From my heart.

Ho ho ho ho, ho, ho, ho.
Ho ho ho ho, ho, ho, ho.

You're only one beat away,
From my heart.

A thousand miles of your life ahead,
Tell me what you dream at night,
Where the wild things are.

Do you ever blow the clouds away,
I just wanna be with you,
Can I stay?.
