Hey, see it my way  
If we all had a dream  
We could bust this place  
And we could take it down  
Like a runaway train  
I bet you could make me smile  
Like I'm going insane  
So pick your style  
And pick your place  
And we can burn like the summer  
With amazing grace  
Gonna win now  
Cause I know you are  
You are my one true love  
And you got me this far

Always a winner,  
Yeah you're always a winner for me  
Always a winner,  
Yeah you're always a winner for me

With my best friend  
I put my best foot forward  
Gonna dry you out like a winter time wind  
And I won't stop now, no I'll keep coming  
Better knock me down so I can't get up  
This time we'll see the last time  
Oh you're always a winner

Don't you burn yourself off

Always a winner,  
Yeah you're always a winner for me  
Always a winner,  
Yeah you're always a winner for me

Pick me up, don't bring me down  
Take me right now to the other side of town  
That's where I wanna be, you and me alone  
We've gotta build it right up so we can make it our  
home

Beauty man, there ain't no beauty man seen  
I'm gonna break it right now  
You're a winner to me

Always a winner,  
Yeah you're always a winner for me  
Always a winner,  
Yeah you're always a winner for me  
Always a winner,  
Yeah you're always a winner for me  
Always a winner,  
Yeah you're always a winner for me
