Happy days are coming my way
It's been some time but here to stay
Is the life and love I've find
Stands me up on happy ground
Sleepy head is going to bed
Makes me laugh
Face turn red
Giggling down onto the ground
I pick you up and spin you around

Happy now
Happy now
Happy now
I'm on happy ground
Happy now
Happy now
Happy now
I'm on happy ground

Drive to town wearing a frown
Go wash it off you silly old clown
Look at the day
It's glowing away
Don't worry about what others say

Happy now
Happy now
Happy now
I'm on happy ground
Happy now
Happy now
Happy now
I'm on happy ground

Simple days are slipping away
Times go fast
I'm turning grey
I've got my love and family too
Nothing I'd change
I'm cool

Happy now
Happy now
Happy now
I'm on happy ground
