Passin' time
You've come so far
But your still behind
Lose your mind if you kept this line

It's just the way it's been
All your friends and all their sins
Juss passin' time
Don't fall behind

I will come for you
If you call i'll come right now
I will help you see through
All your pain and troubled times
You know i'll be there
If you ever decide to call

Passin' time all your addictions are so sublime
It's on your mind if you cross the line

It's just the way it's been
All your friends and all their sins
Juss passin' time
Don't fall behind

I will come for you
If you call i'll come right now
I will help you see through
All your pain and troubled times

Just you know i'll be here
If you ever decide to call
I'll be there for you
If you ever call
I'll be there for you
Anytime at all

Passin' time
Juss passin' time
Passin' time
Juss passin' time
Passin time

(come so far)
Juss passin' time
(come so far)
Passin' time
(come so far)
Juss passin time

(come so far)
