Found myself just the other day
In the backyard of a friends place,
Thinkin' about you,
Thinkin' of the crowd you're in,
What you up too where you've been?
(Just thinkin')

You know the clothes that you wear,
And the color in your hair
Shouldn't change you
Now you tell me why is it so
You bigger than mighty Joe,
(At least you think so)

God my fingers burn,
Now when I think of touching your hair
You have changed so much that I don't know,
If I can call you and tell you I care
And I would love to bring you down,
Plant your feet back on the ground

Throw my smoke down on the ground,
Turn my head and I heard the sound,
(That reminded me)
Of the days so young and sweet
Always so much fun to meet
(At least I thought so)

Now you think your so damn fine
You can rule the world no not mine,
I don't think so

God my fingers burn,
Now when I think of touching your hair
You have changed so much that I don't know,
If I can call you and tell you I care

Now the scene that you're in,
And the people that you been with
Just get to me,
But you think I'm not as cool,
As you are so beautiful

Well who you fooling?

Well I'm here to tell you babe
The game your in is just a game
So damn pretentious

God my fingers burn,
Now when I think of touching your hair
You have changed so much that I don't know,
If I can call you and tell you I care
And I would love to bring you down,
Plant your feet back on the ground

You think you're so beautiful
(So beautiful)
