In the Dawn  
I wake up to find  
her gone  
And a note says  
Only After Dark

Watching her  
Strolling in the night  
So white  
Wondering why  
It's only After Dark

In her eyes  
A distant fire light  
burns bright  
Wondering why  
It's only After Dark

I find myself in her room  
Feel the fever of my doom  
Falling falling  
Through the floor  
I'm knocking on the Devil's door

Burning burning  
in the flame  
Now I know her  
secret name  
You can tear her temple down  
But she'll be back  
and rule again

In my heart  
A deep and dark  
and lonely part  
Wants her and  
waits for After Dark
