She's in love with herself  
She likes the dark  
And on her milk white neck  
The Devil's mark

Now it's all Hallows Eve  
The moon is full  
Will she trick or treat?  
I bet she will

She's got a date at midnight  
With Nosferatu  
Oh baby, Lilly Munster  
Ain't got nothing on you

Now when I called her evil  
She just laughed  
and cast that spell on me  
Boo bitchcraft!

You wanna go out 'cause it's raining and blowing  
You can't go out 'cause your roots are showing

Dye 'em black  
Dye 'em black

Black, black, black, black No. 1  
Black, black, black, black No. 1

Loving you  
Loving you  
La-La-Loving you  
Was like loving the dead

Loving you was like loving the dead  
Loving you was like loving the dead  
Loving you was like loving the dead  
Was like loving the dead  
Was like loving the dead  
Was like loving the dead

Little wolf skin boots  
And clover cigarettes  
An erotic funeral  
For which she's dressed  
Her perfume smells like  
Burning leaves  
Everyday is Halloween
