

## **Cinderella Effect "Darkest Hour"**

Visit "[Darkest Hour](#)" on [MotoLyrics.com](http://MotoLyrics.com)

In my darkest hour of need  
I stop and I wonder  
Just what the hell I'm doing here

The thunder crashes down  
From the angry heavens  
I hear the demon growling at my door

Oh lord I'm innocent  
I'm guilty but I'm innocent  
Glory in pictures I behold

Oh lord I'm innocent  
I'm still here but I'm innocent  
For that war I've sacrificed my soul

I hear those church bell rings  
But I shall not be weakened  
I will not take my eyes from you

Build a river in my side  
I'm out of season  
My love you know I'd kill for you  
I'd kill for you

Oh lord I'm innocent  
I'm false but I'm innocent  
Deep in my temple webs are spun

Oh lord I'm innocent  
I'm beguiled but I'm innocent

Show me all the evil that I've done

And with these words you seek to criticise  
Blind to the volumes that you compromise  
And should I lie and say that I sympathise  
The truth, there's nothing in your eyes

The road goes on and on  
To the vale of sorrow  
I swear I did not foresee your downfall

So take the chains from my eyes  
Give me direction  
You cannot choose but heed my call  
Oh heed my call

Oh lord I'm innocent  
I'm evil but I'm innocent  
Should I stop reading from my soul

Oh lord I'm innocent  
I'm weak but I'm innocent  
Don't leave me lying down here below

Don't leave me lying down here below  
Don't leave me lying down here below
