Little orphans in the snow  
With nowhere to call a home  
Start their singing, singing

Waiting through the summertime  
To thaw your hearts in wintertime  
That's why they're singing, singing

Waiting for a sign to turn blood into wine  
The sweet taste in your mouth - turned bitter in its glass

Israel... in Israel  
Israel... in Israel

Shattered fragments of the past  
Meet in veins on the stained glass  
Like the lifeline in your palm

Red and green reflects the scene  
Of a long forgotten dream  
There were princes and there were kings

Now hidden in disguise cheap wrappings of lies  
Keep your hearts alive with a song from inside

Even though we're all alone  
We are never on our own when we're singing, singing

There's a man who's looking in  
And he smiles a toothless grin  
Because he's singing, singing

See some people shine with glee  
But their song is jealousy  
Their hate is clanging, maddening

In Israel... will they sing Happy Noel?  
In Israel... will they sing Happy Noel?  
In Israel... will they sing Happy Noel?  
In Israel... will they sing Happy Noel?
