Eyes betray the soul and bear it's thinking.  
Beyond words they say so many things to me.  
A stranger here reborn it seems  
awaking wonders deep in me.  
If nothing's ventured nothing's gained  
so I must seize the day.

And fighting time so hard I pray  
that this moment lasts forever.  
And will the world stay standing still at least for me.  
Through my eyes stare into me.  
I bear my heart for all to see.  
With my face turned to the sun there ever standing still.

It wasn't you it wasn't me it wasn't anything.  
It was a day so long awaited and a chance to be as me.  
I let the wind run through my hands  
as I turned to walk away.  
In distant days I long to sense it all so clear.

And fighting time so hard I pray  
that this moment lasts forever.  
And will the world stay standing still at least for me.  
Through my eyes stare into me.  
I bear my heart for all to see.  
With my face turned to the sun there ever standing still.  
And fighting time so much I ask.  
I will this morning last forever.  
Though seasons change and things come to pass  
remain inside of me.  
And fighting time so hard I pray  
that this moment lasts forever.  
and will the world stay standing still at least for me.

I had no faith before that day in any vow or deed.  
Days followed days and years were meaningless.  
Despite the wisdom of defeat  
I bore my heart for all to see the wonders I'd seen.
