Well itâ€™s a Saturday night and thereâ€™s nothing to  
do  
Iâ€™m gonna get myself a new tattoo  
Ainâ€™t no rose is gonna do  
Iâ€™m gonna get myself a blue bird to remind me of  
you

He ainâ€™t gonna go on my arm or my back  
No this bird donâ€™t fly with the rest of the pack  
Heâ€™ll be no drinking Joe or Jack  
And he wonâ€™t fly away and forget to come back

No he wonâ€™t fly away and leave his home  
No he wonâ€™t fly away and leave his home  
Heâ€™ll stay by my side  
Blue blue bird fly

Well a weeks gone by and Iâ€™m feeling fine  
Yeah the sun came out and started to shine  
Iâ€™m glad youâ€™re gone, I donâ€™t think I mind  
Because my little blue birds got â€˜em waitinâ€™ in  
line

Now my dance cardâ€™s full since you went away  
And this here bird just found out how to play  
No heâ€™s no drag he donâ€™t bring me down  
And so I shake my blue bird every night on the town

No he wonâ€™t fly away and leave his home  
No he wonâ€™t fly away and leave his home  
Heâ€™ll stay by my side  
Blue blue bird fly
