Baby, don't you let me down (don't you let me down) Don't you leave me lonely (don't you leave me lonely) Don't you run around I said baby (baby) when I'm on the ground, yeah (When I'm on the ground) Try to keep my chin up, feel I'm fallin' farther down Ooh, you know I'm feelin' sorry But I know that won't do Ooh, looks like there's no tomorrow There's no tomorrow without you

Baby (baby) don't you let me down (don't you let me down) Don't you leave me lonely (don't you leave me lonely) Or run around I said baby (baby) when I'm on the ground, yeah (When I'm on the ground) Try to keep my chin up, feel I'm fallin' farther down

Ooh, remember when you smile so bright Raise my heart up to my throat Ooh, sure took hard times to drag me down So darlin' brighten up all of my hopes

Baby (baby) when I'm on the ground, yeah (When I'm on the ground) Try to keep my chin up, feel I'm fallin' farther down Try to keep my chin up, feel I'm fallin' farther down

Fallin' down, down, down Fallin' down, down, down Fallin' down, down, down Fallin' down, down, down Fallin' down, down, down Fallin' down, down, down Fallin' down, down, down Fallin' down, down, down Fallin' down, down, down Fallin' down, down, down
