

## Peter Allen "Fly Away"

Visit "[Fly Away](#)" on [MotoLyrics.com](#)

You're an anchor, I'm uptight  
You're what gets me throu-ough the night  
You keep me steady and on cour-ourse  
'Til I found you I was lost  
But you're the earth and I'm sky  
A-and sometimes if I go to high  
Well then you pull a string that pulls me ba-ack  
If not for you I might lose track

And I might fly away  
Oh I might fly away, and go my own way  
To places that we've never been together  
I might fly away (fly away), take to the sky some day  
But not for now, not today  
Nobody here is flyin' away-ay, away-ay

You have reasons, I have dreams  
So we're perfect, so it seems  
You talk fortunes, I tell the truth  
Kept me from my crazy youth  
When you're near me I fee-eel whole  
I don't have to rock and ro-oll  
I don't worry, I don't thi-ink  
But baby hold me close and I won't break

I just might fly away  
Oh I might fly away, and go my own way  
To places that we've never been together  
I might fly away (fly away), take to the sky some day  
But not for now, not today  
Nobody here is flyin', flyin' away  
Oh I might fly away (fly away-ay)  
I might fly away (fly away-ay)  
But not for now-ow, not today  
Nobody here is flyin' away (flyin' away)  
Oh I might fly away (flyin' away)  
I might fly away, take to the sky some day  
But not for now, not today  
Nobody here is flyin' away [fade]
