I'd rather leave while I'm in love  
While I still believe the meaning of the word  
I'll keep my dreams and just pretend  
That you and I were never gonna end

Too many times I've seen the rose die on the vine  
And somebody's heart gets broken, usually it's mine  
I don't wanna take the chance of being hurt again  
And you and I can't say goodbye

So, if you wake and find me gone  
Just carry on, you see, I need my fantasy  
I still believe it's best to leave while I'm in love

Too many times I've seen the rose die on the vine  
Somebody's heart gets broken, usually it's mine  
I don't wanna take the chance of being hurt again  
And you and I, we can't say goodbye

So, if you wake and find me gone  
Hey, babe, carry on, you see, I need my fantasy  
I still believe it's best to leave while I'm in love  
I still believe it's best to leave while I'm in love

While I'm in love  
While I'm in love  
While I'm in love
