We stayed and talked about fears you won't cry  
And this time I know it's nothing new  
For sure she kept asking for more  
What a waste of money  
And feelings we don't have  
Don't show, it's coming your way  
Bound to choose the wrong choice again  
Oh my god is it that hard for you  
To see that I want you

Cold feet, your sister is sweet oh so sweet  
But listen, it's you I'd like to meet  
Calm down, you act like a clown out again  
This movie, it only brings me down  
So down, and I don't know why  
Supposed to be one of a kind  
Can't pretend here comes the end  
And I can't help it I want you  
You, you, you
