Let's take the easy way out
Let's move away for good
Let's pull the curtains down and leave

It's between me and her now
Can't separate at all
Let's put the cards back in the sleeve

Just tapping on my shoes and
I couldn't want it more
That way I know she's close

She's like the big orchestra
Playing my tiny tune
Let's pull the curtains down and leave

Let's take the easy way out
Let's move away for good
Let's pull the curtains down and leave

It's between me and her now
Can't separate at all
Let's put the cards back in the sleeve

Just tapping on my shoes and
I couldn't want it more
That way I know she's close

She's like the big orchestra
Playing my tiny tune
Let's pull the curtains down and leave

Let's take the easy way out
Let's move away for good
Let's pull the curtains down and leave

It's between me and her now
Can't separate at all
Let's put the cards back in the sleeve

Just tapping on my shoes and
I couldn't want it more

That way I know she's close

She's like the big orchestra

Playing my tiny tune

Let's pull the curtains down and leave
