"The Sin-sexual Delight"

Visit "[The Sin-sexual Delight](#)" on MotoLyrics.com

Beyond the boundaries of pleasure
I can make your delights turn to reality
Leave your emotions rapture you
And your dreams will become reality
Hey girl, cum to me
'Cause I am ready for your desires
Between your legs I will put
My eternal hammer of love
I will put you in dog position
And I will fuck your asshole
Cries of desire in a full moon night
All night long in pleasure
Pain is the only reason to live
Come to our land of pleasure
We'll create your sexual delight
