Christmas' Sun You shine so bright
Make this new year right
Children laughing in the sunrise
Want you listen what they're singing?

It's Christmas time and the sun is out
We've got nothing to worry about
It's Christmas time and the sun is out
We've got nothing to worry about
We've got something to laugh about

Children laughing in the sunlight
Want you listen what they're singing?

It's Christmas time and the sun is out
We've got nothing to worry about
It's Christmas time and the sun is out
We've got nothing to worry about
We've got something to laugh about

Christmas' Sun You shine so bright
Make this new year right
(You know what love can do to me, just wait and see
To see what love can do to me, it's all about to be free)
