"In The Sun"

When you went away
I said you could have let me know
Why would you go
What can I do for you
I'm moving along
Since you went away I relieve
How you made me feel
In the sun
If I don't see you
Each time I miss you
Since you've gone I can't go on

I just have to let it go
And I don't know why you're keep telling me lies
I go crazy
How you made me feel
In the sun
If I don't see you each time I miss you
You made me feel
Even if I'm in the sun
In the sun
In the sun
