Where has honesty
Gotten me lately
Late into the night
A car alarm
I'm not putting on
A face for anyone
Late into the night
A car alarm
I'm speaking to you
I'm listening
I'm sleeping

Appearances
Appearances
I'm sleeping

I'll get it right this time. It happens all of the time
In California.
I'll get it off my mind. It happens all of the time in
California.

And you'll go away just like you did yesterday.
But tomorrow I'll still call you home.

I'll get it right this time. It happens all of the time
In California.
I'll get it off my mind. It happens all of the time in
California.

Where has honesty
Gotten me lately
Late into the night
A car alarm
I'm not putting on
A face for anyone
Late into the night
A car alarm
I'm speaking to you
