Oh here you come, same as before  
At my back door to say it again  
Tell me you've grown, tell me you've found  
Somewhere just out of town

You ask if I want to go  
I don't want to roll on anymore  
I won't follow you down that road  
You know but I won't...

I could let you in, let you try again  
But how would it ever end?  
Oh, how would it ever end?  
You ask if I want to go  
I don't want to roll on anymore  
I won't follow you down that road  
You know but I won't...  
I won't...

Will you ask if I want to go?  
I don't want to roll on anymore  
I won't follow you down that road  
You know but I won't...  
I won't...
