when my blood runs warm with the warm red wine  
I miss the life that I left behind  
but when I hear the sound of the blackbirds cry  
I know I left in the nick of time

well this road I'm on's gonna turn to sand  
and leave me lost in a far off land  
so let me ride the wind til I don't look back  
forget the life that I almost had

if I wonder til I die  
may I know who's hand I'm in  
if my home I'll never find  
and let me live again

the longer I run  
then the less that I find  
sellin my soul for a nickel and dime  
breakin my heart to keep singing these rhymes  
and losin again

the longer I run  
then the less that I find  
sellin my soul for a nickel and dime  
breakin my heart to keep singing these rhymes  
and losin again

tell my brother please not to look for me  
I ain't the man that I used to be  
but if my savior comes could you let him know  
I've gone away for to save my soul

if I wonder til I die  
may I know who's hand I'm in  
if my home I'll never find  
and let me live again

the longer I run  
then the less that I find  
sellin my soul for a nickel and dime  
breakin my heart to keep singing these rhymes  
and losin again

the longer I run  
then the less that I find  
sellin my soul for a nickel and dime  
breakin my heart to keep singing these rhymes  
and losin again

losing again

the longer I run  
I'm losing again  
losing again
