Now I'll admit,
Me and my friends have been showing off.
And me and my crew will make this night,
One to remember.

But be forewarned,
We don't put off with mouthing off.
So bring your friends and I'll bring mine;
It's party time when I, get home.

Just in case, you don't know,
We're the kids who own the skyline.
I guess you should've known better than to
Run your mouth.
Because it's goin' down.

Listen girl,
I love it when you
Take it off.
I promise to make this a night
You'll never forget.

I'll tell you, girl
I'm thinking about taking off.
Will you be there; waiting for me,
When I get home?
When I get home?

Just in case, you don't know,
We're the kids who own the skyline.
I guess you should've known better than to
Run your mouth.
Because it's goin' down.

And when you see us comin',
You best believe that we mean business.
There's nothin' we like better than to call you out.
We're gonna take you, down!
We're gonna take you down.
We're gonna take you down. (down, down, down)

I guess you should've know better than to
Run your mouth. (run your mouth!)
There's nothin' we like better than to...
CALL YOU OUT!

[musical break]
