I Can't Forget,
It Seems All Those Days of Teenage Dreams of Cutting
Class and Hanging Out.
Sitting In School,
The Clock Ticking Off The Wall, Making Friends and
Turning On.
Living and Learning and Playing The Do's, Got Took Out
of Your Time With
Not Much To Do.

Memories of Yesterday,
Friends Are Met Along the Way,
Memories Will Might Will Mean That's Now Goodnight
Gone Quickly.

Times Have Changed, But The Feeling Still Remains,
Days of Wonder,
Unanswered Questions.
The Day We're Going, I Could Finally Found Out.
Who I am and Where I'm Going.
I'm Looking Forward To The Future With Lessons Learnt
and With No Regrets

Memories of Yesterday, Friends Are Met Along The
Way.
Memories Will Might We Need The Times Goodbye.
It's Goodbye So Quickly.

I'm Thinking of Faces and Remembering Times and I
Know They Won't Be Left
Behind.

Memories of Yesterday,
Memories Will Might We Need,
Memories of Yesterday.

Memories,

I'll Make It X3
