You gotta keep on making me high  
You gotta keep on making me high  
You gotta keep on making me high  
You gotta keep on making me high

If you're feeling sad and blue  
Come on and dance with me  
I can make your dreams come true  
Come on and dance with me

Ladies, get up off your seats  
Come on and dance with me  
Gentlemen, get on your feet  
Come on and dance with me

Say the word and I'll  
Summon the band with my hand  
Let your minds and  
Your bodies be free  
Dance with me

You gotta keep on making me high  
You gotta keep on making me high

If you feel that you  
Like what you see  
Dance with me

You gotta keep dancing  
Cause it's making me high  
You gotta keep, keep dancing  
You gotta keep dancing  
Cause it's making me high  
You gotta keep, keep dancing

You gotta keep on making me high  
You gotta keep on making me high  
You gotta keep on making me high  
You gotta keep on making me high

If you're feeling sad and blue  
Come on and dance with me

I can make your dreams come true  
Come on and dance with me

Say the word and I'll  
Summon the band with my hand  
Let your minds and  
Your bodies be free  
Dance with me

You gotta keep on making me high  
You gotta keep on  
You gotta keep on making me high  
You gotta keep on

Let your minds and  
Your bodies be free  
Dance with me
