The lady smiled at me  
When she asked about the  
Possibility that we might  
Spend some time alone

And, oh, the thoughts  
That filled my head  
When she looked in my eyes  
And slowly said

Do you wanna get funky with me  
Do you wanna, whoa

The idle mind is a  
Playground for the devil  
Do you wanna get funky with me  
Do you wanna

(Do you wanna get funky) 6x

The way she spoke to me  
Told me I had the opportunity  
To see how funky she could be

And when I looked into her eyes  
The fire they held made me realize  
The flame was burning just for me

The lady tempted me  
I closed my eyes  
It was plain to see  
She was the devil in disguise

And, oh, the message she'd relay  
When she would take my hand and say  
Do you wanna get funky with me  
Do you wanna

The idle mind is a  
Playground for the devil  
Do you wanna get funky with me  
Do you wanna

(I wanna set you on fire  
Cause it's hot  
Cause it's hot) 5x

(It's so hot  
I'm burning up)...  
Oh, no, no, no

(I wanna set you on fire  
Cause it's hot  
Cause it's hot  
Cause it's hot)

I felt the heat within  
The lust of love  
And the urge to sin  
I felt her reaching for my soul

And then I knew I had no choice  
But to heed the command  
Of the devil's voice

Do you wanna get funky with me  
Do you wanna, do you wanna  
Do you wanna

The idle mind is a  
Playground for the devil  
Do you wanna get funky with me  
Do you wanna get funky  
Do you wanna get funky with me  
Do you wanna

The idle mind is a  
Playground for the devil

Do you wanna get funky with me  
Do you wanna  
Do you wanna get funky with me
