Who sits at home all alone waiting for you to call?
and what is the power that keeps him by the telephone?
and why do you string him along, singing your siren
song?
and why does he listen, how can he let this game go
on?

Iâ€™m just a trivial pursuit
love is just a game to you
and you never want to let romance begin
cause Iâ€™m gonna make some moves,
Iâ€™m gonna get the jump on you
Iâ€™m not gonna play unless you let me win

Iâ€™m just a trivial pursuit
love is just a game to you
and Iâ€™m gonna win no matter what to do
cause Iâ€™m gonna make some moves
Iâ€™m gonna get the jump on you
and Iâ€™m not gonna be a trivial pursuit

why does he let this go on
chances have come and gone
and what is the magic
that keeps him hangin on so long?
and why do treat him this way
what is this game you play...

and why does he follow,
how long will he go on this way?

Iâ€™m in a trivial pursuit
love is just a game to you
and you never want to let romance begin
cause Iâ€™m gonna make some moves
Iâ€™m gonna get the jump on you
Iâ€™m not gonna play unless you let me win

Iâ€™m in a trivial pursuit
love is just a game to you
and Iâ€™m gonna win no matter what to do
cause Iâ€™m gonna make some moves

Iâ€™m gonna get the jump on you
and Iâ€™m not gonna be a trivial pursuit

trivial pursuit, trivial pursuit...
